Background

Summary

Experienced leader in a ignored multi billion dollar category who has industry knowledge, drive and passion to get it done and make a difference.

Specialties:- Recognizing problems and creating solutions which typically result in savings, improved control and efficiencies
- Business development/Relationship management.

There is nothing more important to a business then the clients. Sounds cliché - but we believe this to the core and everything we do has to come back to this.

A global network of ground transportation providers servicing a traveler's needs in multiple cities throughout the globe. Burgundy LimoCenter was the coming together of Limocenter, a US based network provider and Burgundy, a UK based network provider. The resulting entity had a broader international footprint as well as improved international booking capabilities.

President/COO

LimoCenter

1997 – 2003 (6 years)

A national network of ground transportation providers that can be booked through a central call center. It was branded as the one stop shop for all of your ground transportation needs. On one phone call a traveler could book a trip in NYC and in LA. The business was the 1800flowers of the ground transportation industry.

Account Supervisor - Lincoln Mercury

Young and Rubicam

1994 – 1997 (3 years)

Managed a multi million dollar marketing budget in the Tri-state area for the Lincoln Mercury Dealer Association. Responsibilities included: operations, production, project management, creative input and financial management.
